EXPERIENCE

Website Developer Phase Infotech	Aug 2024 – Dec 2024 <i>Ahmedabad, Gujarat</i>
--	--

- Developed browser-based gaming websites using HTML, CSS, and JavaScript, delivering interactive user experiences optimized for performance and engagement.
- Built productivity-focused web applications using React.js and Tailwind CSS, emphasizing clean UI design and seamless user flow.
- Led and mentored a team of junior developers, guiding them through best practices in web development and helping them build fully functional, responsive websites from the ground up.

Frontend Developer Innovius Software	Dec 2023 – Mar 2024 <i>Ahmedabad, Gujarat</i>
--	--

- Developed fully responsive websites using HTML, CSS, Bootstrap, and JavaScript—delivering fast, accessible experiences across all screen sizes.
- Built dynamic Single Page Applications (SPAs) with React.js and Tailwind CSS, streamlining UI development while maintaining clean, maintainable code.
- Managed version control and collaborative workflows using Git, enabling smooth handoffs, efficient team collaboration, and error-free deployments.

PROJECTS

The Fire Alchemist. Designed and developed a personal portfolio website for an indie game developer to showcase projects, demos, and dev logs. Prioritized immersive design, fast load times, mobile responsiveness, and SEO optimization to support discoverability. [\[Live Demo\]](#)

AHM Luxury Cases. Built a complete eCommerce platform using Wix Editor for a mobile accessories brand with PAN India reach. Delivered a clean, responsive design with intuitive product listings, a secure checkout system, and smooth mobile usability. [\[Live Demo\]](#)

The FlexFlow. Developed a custom WordPress site for a marketing agency by reworking an existing theme from scratch. Focused on performance optimization, mobile-first design, and SEO, resulting in a sleek and professional online presence. [\[Live Demo\]](#)

CERTIFICATIONS

GitHub Foundations. Awarded by GitHub, validating core skills in version control, collaboration, and workflow automation. Demonstrates proficiency in repository management, branching strategies, conflict resolution, and implementing GitHub Actions for CI/CD. [\[Badge\]](#)

ACHIEVEMENTS

GSSoC Ext 2024 and Hacktoberfest. Contributed to open-source projects during GSSoC Extension 2024, ranking in the top 300 out of 3,500+ participants. Completed 4 out of 4 approved pull requests for Hacktoberfest, demonstrating consistent engagement and successful contributions to real-world codebases. [\[GSSoC Ext\]](#) [\[Hacktoberfest\]](#)
